

## 2019 | 2020 MAZDA3

Factory-Required Maintenance

#### YOUR ON-BOARD VEHICLE STATUS MONITOR

Your new Mazda3 comes with Mazda Connect which includes a state-ofthe-art engine oil maintenance monitor. Designed to indicate when an oil change is due, Mazda Connect also has a monitor that notifies you when your Mazda requires servicing.

This is just one of many details we have created to help you feel more confident and in tune with your new Mazda and to help keep it running smoothly.

The wrench indicator light signals the time for vehicle maintenance or for an engine oil change.

#### FACTORY-REQUIRED MAINTENANCE SCHEDULE\*

To help you protect that high-level of performance, we have developed this maintenance schedule to keep your Mazda's key components working seamlessly, no matter the conditions.

of your Mazda.

#### WHAT YOU SHOULD KNOW ABOUT YOUR MAZDA3

Your new Mazda3 is engineered with innovative technology from the chassis to the transmission to the engine and beyond. Every single aspect of this car is designed to be responsive and efficient.

When you visit your Mazda Clubhouse of Driving Passion, you can have peace of mind knowing that our trained Master technicians have maintained every detail to optimize the fuel efficiency and performance

\*Please consult your dealer or owner's Manual for more details on scheduled maintenance for your vehicle
